### **Want to buy bottled wine for your table or to treat colleagues and guests that evening?**

We know from past Galas that some attendees or firms like to buy bottles of wine for their table, group, or other colleagues to enjoy during the Gala Banquet. We also know that waiting to order and pay for bottled wine during dinner delays meal service and the start of the award presentation segment of the evening.

Activities will flow smoothly, entrees will be served quickly, and the venue will be able to have a sufficient supply of your chosen wine that evening, if you will please advance order any of the bottled wine you want.

Ask Valerie for the **Wine Advance Order Form**. Complete it to order bottled wine. The venue will get your order, have the bottles ready at your table in your name that evening, and open them for you to enjoy and share as you wish with your table(s), guests, colleagues, etc.

**Thank you in advance for your help in making this an enjoyable and smooth-flowing event for all!**
