

The Essentials of Value Engineering: *Understanding & Using the Methodology*

Tuesday, April 9, 2019, 8:45 AM - 1 PM (Sign in at 8:30 AM)

**Judicial Council of California, Veranda Rooms ABC
2860 Gateway Oaks Dr. Suite 400, Sacramento, CA 95833**

This interactive half-day course is designed to introduce the value methodology to a wide-range of attendees.

We will present the **Who, What, When, Where Why and How of Value.**

Participants will gain a strong understanding of :

- **The Three-Stage Process**
 - pre-study
 - study
 - post study
- **The Six-Phase Job Plan**
- **What occurs during each step in the Job Plan**

Additionally, we will briefly discuss the need for program development within your organizations and how to gain support from management and staff.

This training is designed for individuals involved in planning, design and construction projects, including planners, architects, engineers, construction and project managers, contractors, cost estimators, and Owners.

Learn an extremely valuable process to help you make improvements, and seek out innovation and opportunities in projects, programs, and even the way you and your organization do business.
